

TCM Forklift Parts

TCM Forklift Parts - Forklift trucks are an important player in the material handling field of every global business. Transporting industrial goods happens each day on our industrious world. Originally innovated as industrial vehicles in the 1930s in the U.S., forklifts gained popularity after WWII in the 1940s. Becoming a reliable and efficient means to material handling solutions, the need and practicality of these machinery spread worldwide.

In 1949, established by Mr. N. Niwa, the original Toyo Carrier Manufacturing Company Limited, which was later named Toyo Umpanki Co, was established. Now the company is simply known as TCM Corporation. Through the years, TCM forklifts have become a worldwide leader in lift truck manufacturing and have built a solid reputation with the trade. TCM began constructing forklift manufacturing locations outside of Japan in the 1980s and is now engaged in forklift manufacturer at three foreign factories in China, the United States and Europe.

TCM proudly makes many models of industrial trucks with more than 50 years of accumulated expertise and technology, making their products recognized and used all around the world. Characterized by energetic staff and strong initiatives, TCM continues to look toward the future and aims to become a world-class leading company.
