

## Rockwell Part

Rockwell Parts - AxleTech International is a premier dealer in the globe of specialty vehicle drive-train systems and parts along with off highway vehicles. The business prides itself on being its customers' preferred supplier. AxleTech strives to exceed and meet their clients' expectations for quality, service, technology and delivery. They believe in working within an environment that supports the highest integrity with empowered collaboration, along with a unremitting pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively applying principals of ecological stewardship and safety in how they do business. The business has put various programs in place so as to articulate these values within their business policy. AxleTech gladly shares this policy and welcomes interested parties to provide them with whatever questions or comments, because they are glad to promote and share this policy with a greater knowledge of their efforts. They are extremely devoted to preserving and improving the natural world. AxleTech has an EHS program that not just protects the natural environment but which likewise actively protects their neighbors and staff as well.

AxleTech prides themselves as being a ground-breaking drive-train solutions provider. They specialize in designing and manufacturing planetary axles used for both commercial and military applications. These applications vary from construction equipment to airport ground support. AxleTech specifically designs axles to meet particular application demands. They have more than 1000 different axle specs within their current offering. With over one hundred years of history and experience, AxleTech proudly supplies the most complete solution for whichever of your axle needs. The business is well known in several commercial and military applications. They provide complete axle assemblies utilized for aftermarket replacement needs, together with servicing axle needs for OE production. Their high mobility ISAS have extra details that can be seen in the "ISAS" product selection.
