Advance-Nilfisk Parts - Imagine how tedious it will really be to tidy up your house right after throwing a large party, without aid from cleaning equipment. In the past, the time upholstery and carpets had the dust beat out of them by hand; cleaning cloths, brushes and brooms were the leading cleaning supplies back then.

The founder of Nilfisk-Advance, P.A. Fisker, started out as an electrical engineer who liked to work on electrical motors. After founding his business in the year 1906, he began to produce motors to drive coffee grinders, fans, machine tools and drills. Mr. Fisker's vision from the start was to have an international business marketing goods internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning trade. Mr. Fisker invented a remarkable, ground breaking vacuum cleaner that can be operated by a single individual as it only weighed 17.5 kilos! This invention came in a time where other cleaning equipment were massive and needed 4 or more operators, hence, the Nilfisk C1 changed everything and evolved the manner we clean forever. The brain behind these first cleaning machines remains unparalleled. Cleaning equipment offer an excellent solution to an existing dilemma; things get filthy and should be cleaned regularly, without too much effort.

Gradually, the company Nilfisk-Advance grew throughout the years. During the early 1980's the business expanded fast when the business became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance forward within the industry, trying to be an active worldwide player in producing professional cleaning machines. Nilfisk-Advance is currently represented in all parts of the globe due to gradually obtaining numerous small businesses so as to expand their product selection and presence in new markets. They are proud to present a range of cleaning solutions to meet each requirement.
